### RELEVANT WORK EXPERIENCE

#### Visual Designer and Consultant

Freelance

*September 2015 - Present*

Creation of web mockups, branding, infographics, and creative solutions as needed. Currently contracted under HitBridge as a visual designer, at Explica News as an Information Designer, and at the Crocker Art Museum as an Artist in Residence.

#### Visual and User Experience Designer

Center for Design in the Public Interest

*December 2015 - Present*

My role is to assist with research, design development, and implementation of project-specific prototypes and case studies, as well as with a variety of programmatic activities in support of the Center.

#### Graphic Designer

Department of Nutrition

*April 2015 - June 2016*

Created a touch screen interface for the lobby of the Animal Science Advising Center with HTML/CSS/JS. Created graphics and photographed content for use throughout the Animal Science and Nutrition departments. Updated CMS and wordpress sites.
